venirs and other quality products. Our tours often include wives and adult children wishing to see where their Veteran served.

A Vietnamese guide proficient in the English language and familiar with the history of the 11th ACR and their Vietnam bases and battlefields will lead this tour program. Ground transportation is provided in modern air-conditioned vehicles with professional drivers.

Many US Veterans wonder how they will be greeted in Vietnam. The population of Vietnam has more than doubled since the war. Most were born after the war ended. To them the war is “ancient history.” While the country has a one-party communist government, they abandoned Marxism more than 20 years ago, and the people have embraced capitalism. The United States is now Vietnam’s #1 trade partner. The Vietnam Airlines fleet includes modern Boeing aircraft. KFC restaurants are all over the major cities and Ford Motor Company has an assembly plant outside of Hanoi. Americans are warmly welcomed in modern Vietnam.

You can make your own airline reservations to and from Vietnam, or you can fly with your tour group from the West Coast. Please indicate your choice on your Reservation Application.

Vietnam hosts over 3 million visitors each year. Flights fill up and hotels are often booked months in advance. Don’t delay making your reservation. Each year we have to turn away applicants who wait too long to make their reservation. Act today to secure your reservation on this great tour program!

We offer our travelers an opportunity to tour areas in modern central Vietnam where the famed 11th Armored Cavalry Regiment fought during the war. The tour is offered on your dates from January through May or October through December. We don’t recommend travel during the wet season (June through September).

This tour program is available for individuals, small groups or families. The cost depends on the number of travelers, whether you want a single room and whether you want us to include Trans-Pacific flights. Some of our clients want to utilize their frequent flier points.

Our tour is designed for Veterans, family, and friends and history enthusiasts of the 11th Armored Cavalry Regiment! We will visit important sites in Vietnam where 11th Armored Cavalry troopers made history more than 40 years ago.

Our Blackhorse Tour extends from Vung Tau on the South China Sea, where many US Soldiers first came ashore, and others enjoyed an “in-country R&R,” to the far north-western corner of Tay Ninh Province, near the border with Cambodia, where the Viet Cong hid COSVN (Central Office for South Viet Nam), their main headquarters. East of the Saigon River, we venture to Phuoc Vinh and Xuan Loc.

Between those these points we visit Saigon, Cu Chi and the fabled tunnels, Dau Tieng, the Michelin Rubber Plantation, Tay Ninh City, Nui Ba Den (“the Black Virgin Mountain”), An Loc, Lai Khe, Dong Xoai, Ben Cat, the Iron Triangle, Bien Hoa, Long Binh and numerous places along the route. Wherever possible, we will include “special places” that our Veterans request nearby our travel route.

Our Vietnam tours are more than battlefield tours. We include visits to temples, colorful marketplaces and villages to give you a new appreciation and understanding of Vietnam’s culture and its people. Our tour participants have ample opportunities to shop for local crafts, clothing, unique sou-

**Tour Prices are based** on a minimum number of tour participants as shown in the Reservation Application, and on tariffs and rates (currency & exchange) known at the time of printing; prices are subject to adjustment without notice in event of changes to such rates prior to departure.

**Airfares** are subject to change without notice. Coach-class airfares are often non-refundable and/or subject to cancellation fees. Trip Cancellation Insurance is strongly recommended.

**Hotels:** Unless otherwise stated, all tour prices are based on two persons sharing a twin/double room. Applicable single supplements are indicated for those wishing single room accommodations. Single rooms are limited in quantity and are sometimes not of the same size or quality as twin/double rooms. We do not recommend triple rooms as they tend to be very crowded; in most cases, triple rooms are a twin room to which a cot has been added. There is no reduction in tour cost for triple rooms. If you wish to share a room and do not have a roommate, we will place you in a twin/double room with the next same-sex participant to register for the tour who also requests to share a room. If cancellation occurs between 119 and 60 days prior to departure, deposits will be refunded less \$150 per person service charge; less than 60 days prior to departure date, deposits will be refunded, less a \$250 per person service charge and any cancellation charges assessed against MilSpec Tours by hotels, transportation companies, airlines and other purveyors of services. There will be no refunds for cancellations of 30 days or less. Trip cancellation and interruption insurance is available and strongly recommended on all tours.

The tour operator and/or its agents can accept no responsibility for losses or additional expenses due to delay or changes in air, sea or other services, sickness, weather, strike, war, quarantine, or other causes. All such losses will have to be borne by the passenger, as tour rates provide for arrangements only for the time stated. The right is reserved to substitute hotels specified for others of similar category. The right is reserved to make minor adjustments in the itinerary.
