

# CUSTOMIZED TOURS TO VIETNAM

Vietnam has become a popular destination for tourists. More than a million visitors tour Vietnam annually. MilSpec Tours can design custom tours to Vietnam for individuals or groups. Whether you want to see amazing cultural sites, enjoy the fabulous cuisine, catch a tan on a world-class beach or explore former military sites, MilSpec can turn your intention into reality.

Each year we offer a variety of group tours including an great all-country tour, a tour of the region from Vung Tau through Saigon to Tay Ninh, a tour through the Central Highlands and along the South China Sea, a tour into the Mekong Delta. Brochures for these tours are free and may be requested by letter,

Email, or phone. If these tour programs do not meet your requirements, we can customize a tour program for you.

We have been planning and operating tours to Vietnam since 1993. We have seen the economy of the country and the lives of most Vietnamese improve since the national government abandoned a Marxist economy and embraced many aspects of capitalism. Over the years we have witnessed great improvements in the infrastructure of the country including roads, airline service and hotels. This has enabled us to make travel within Vietnam a much more enjoyable experience for our clients.

Scores of Americans who served in Vietnam during the war want to return to their former service areas. If you served in Vietnam or know

someone who did, tell us those areas of greatest interest to you. In most cases, we will be able to find these former bases and areas of operations.

Some bases remain dedicated to military use and are not accessible by tourists. However, we are free to travel in most of the country as long as we plan well in advance. If we know in advance where you want to go, we can advise you how accessible your "special places" are and we can plan to include or exclude them on a case-by-case basis.

The first step is to determine where you want to go in Vietnam and when you wish to travel. We don't recommend traveling during the monsoon season (mid-May through September) because of the excessive heat and humidity and the possibility of having your tour interrupted by a tropical storm. We also recommend that our clients not plan their tours around the Chinese New Year, known as "Tet" in Vietnam. Tet is a costly time to travel with most flights and hotels fully booked. We think that you will have a much more enjoyable experience if you avoid these particular times of the year.

Developing custom tours requires detailed planning by our staff in the USA and in Saigon. Initial consultation with our staff covering general information is free. We will develop a detailed itinerary for you for a nonrefundable good-faith deposit of \$100 that will be applied toward the final cost of your tour. To begin planning your Vietnam tour, send us a list of those places that you want to visit, the approximate dates that you want to travel and the number of people who will be traveling with you. The total cost of your tour will be determined in part by the number of travelers. Generally, the more people in your group, the lower the cost per person.

When we settle on a final itinerary, we accept a \$400 per person deposit to confirm your reservations. Full payment will be due approximately 90 days prior to your departure. To begin your MilSpec Tour to Vietnam, fill out the form on the back of this flier and return to us by mail. Don't delay - do it today!

Your MilSpec Tour will include visa processing, roundtrip air from the West Coast of the USA, all airport-hotel transfers, all ground transportation, any in-country air required, most meals, hotel accommodations, the services of an English-speaking local guide and more! Tour extensions to Thailand, Cambodia and Laos are also available. We offer travel insurance coverage as an option at a reasonable cost.

If you are serious about wanting a memorable and rewarding tour to Vietnam, MilSpec Tours is here to help you. We work with individuals, small family groups and Vet groups. Contact us today and together we'll plan a great trip for you!
